The faculty of Polk-Hordville Middle School and High School is referred to as "The Guiding Light". If you visit the schools, you'll see why it is with good reason we consider our teachers as guides. The faculty we have takes their time to teach us as if we were their own children. They do their best to "guide" us in the areas of discipline, responsibility, and respect. Besides these things, they are always willing to help us and have proven that teachers are friends as well. We'd like to thank the faculty for guiding us in the right direction.

Our Staff received the title "Days of Our Lives" because they are part of our everyday lives. Sometimes we don't realize how important our Staff is but without it, our school wouldn't run smoothly. We would like to recognize the Staff for contributing to our "little" needs and thank them for making our lives easier.

They are supervisors who we look up to and respect the advise they give us.

FRIENDS

Packing up the dreams of God
planted
In the fertile soil of you
Can't believe the hopes He's
granted
Means a chapter in your life is
through
But we'll keep you close as always
It won't even seem you've gone
Cause our hearts in big and small
ways
Will keep the love that keeps us
strong
And friends are friends forever
If the Lord's the Lord of them
And a friend will not say "never"
Cause the welcome will not end
Though it's hard to let you go
In the Father's hands we know
That a lifetime's not too long
to live as friends

The juniors watch the senior cheerleaders in awe.

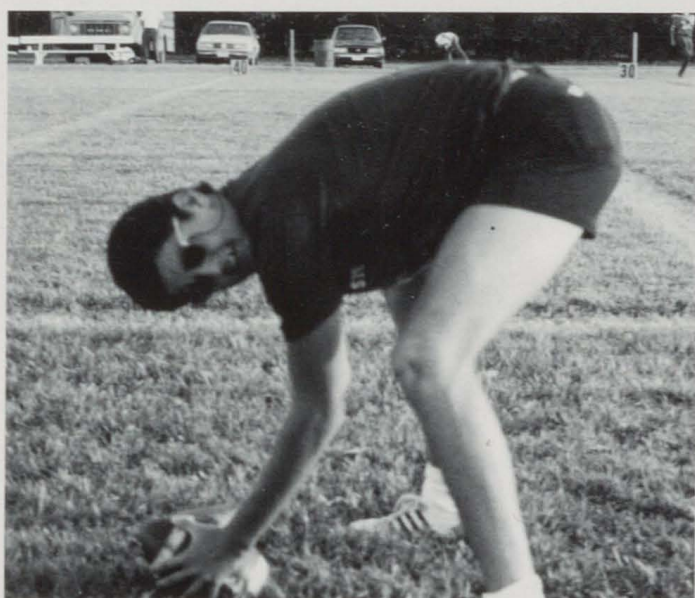

Wait, is Shane vandalizing his own store in broad daylight?

Once again the superior strength of a junior is shown.

Above: Chad demonstrates the proper technique. **Right:** Look Ma, no cavities!

The Class of 1990 had a busy year trying to raise money for the Junior-Senior Prom. They sold magazines to family and friends in the surrounding communities.

The juniors have the title "Dynasty" which in ancient times meant rulers. "Dynasty" was chosen because next year this class will be seniors, the so-called "rulers of the school".

Mrs. Downs was the junior class sponsor. Dale Van Housen served as President, Chad Adams; Vice President, Sarah Brown; Secretary, and Steve Hendricks was Student Council Representative.

The Sophomore class is very involved in both academics and school activities. They were involved in selling pizzas, ordering class rings, and letter jackets.

"Growing Pains" was selected as the title because the Sophomore class is going through a stage of high school where they experience a stage of maturity. Their class is caught in the middle of being the oldest and youngest. The experiences they have gained so far will help them with their future.

Serving as president for the Sophomore class is Tim Collett, Vice President is Lisa Carlson, Secretary/Treasurer is Rene' Wilshusen. Representing the class for the Student Council is Ryan Sundberg.

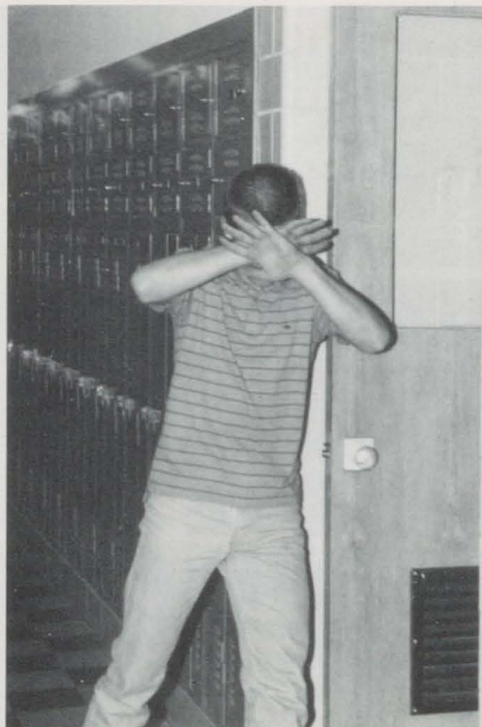

Jason regresses back to his childhood.

Jackie's taking a break during school.

Lisa and Angie look on with enthusiasm.

Don't worry, be happy!

Don't shoot!

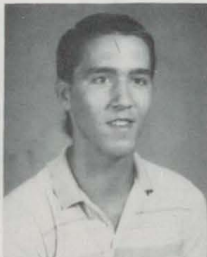

We hope Rene's future doesn't start too soon.

Open up and say ahhh . . .

When the Freshmen came from the middle school to the high school, they realized that a change of attitude was going to be necessary. They were demoted from being the "top dogs" to the youngest of the bunch. The "Young and the Restless" means that they are the youngest in the high school and they are restless because of the change of atmosphere.

The Freshmen had many new experiences this year that will last them a lifetime. Many of the Freshmen were involved in extracurricular activities such as athletics and music.

The class officers were Stacy Nyberg, President; Dennis Lukas, Vice-President; Teri Coover, Secretary-Treasurer.

The title "Another World" is very appropriate for the Middle School situation. All classes, with the exception of band, are held at Hordville. With the separate school, the students are given time to mature, rather than being prematurely tossed together with the High School. The separation makes the students more familiar and comfortable with the concept of several teachers as opposed to one. The Middle School supplies the students with separate facilities for academic and extra-curricular activities. This provides additional capacity for growth.

With this information, "Another World" is not only a reasonable title, but a very fitting one.

Entering the 1988 Football season with only two returning starters aroused much doubt. Those doubts were soon relieved as the Wildcats posted their third consecutive Conference title, and extended their undefeated regular season streak to 27-0, and also entered the Class D-1 football play-offs for the third straight year. First round opponent, Nelson, returned for a rematch from last year's battle. Nelson tripped up the Wildcats 35-42 and ended a very successful year! The Wildcats finished the season rated 7th place in Class D-1 and many individual honors were earned!

Bud Stevens "uses his moves" on Benedict's defense.

In order to understand completely the success of our varsity Wildcat football, we need to consider the hard work and dedication of our junior varsity football team. Fundamentals, agility, and understanding of the game, and, most importantly, teamwork start in junior varsity. Attitudes and confidence start at the beginning, determining the fate of future varsity football. The junior varsity's undefeated record proves well the theory that true winners start at the beginning and never give up until the end. Looking at our JV's outstanding job indicates success as future varsity players.

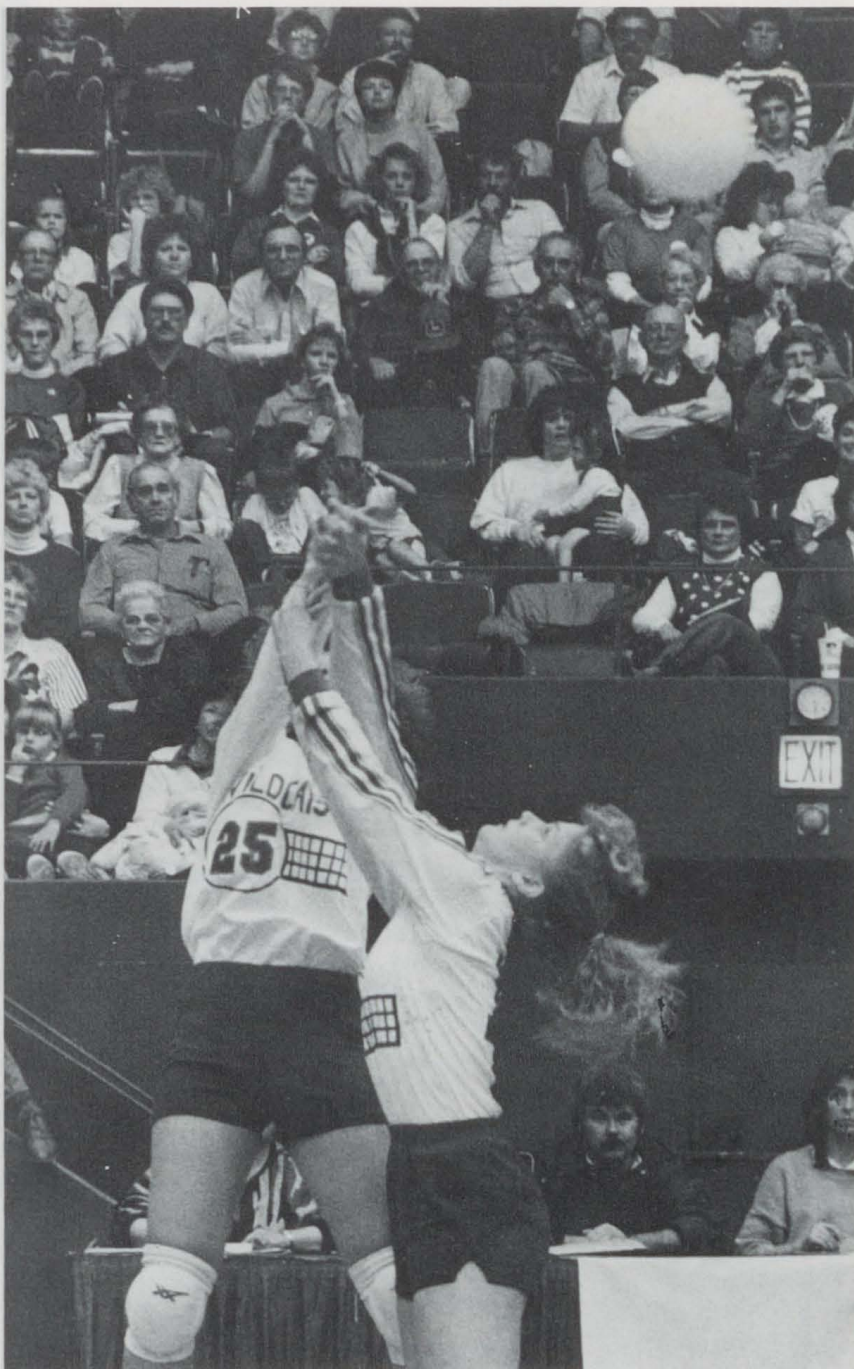

THE WRECKING CREW

JV Coach, Mark Maskell, also played the role of Assistant Varsity Coach.

Above: Is this teamwork? **Right:** A wait of anxiety.

The Volleyball season was very successful this year. The team took wins along with losses. Losing is looked upon as a growing experience and sometimes a "chance to get even". When you keep your chins high and your determination going, everything falls into place. The girls on the team had to dig deep inside to keep going sometimes, but victory was in store for the Lady Wildcats and they travelled to Lincoln for the state tournament.

"Die Hard" suggests the struggles and trials experienced through a rewarding year of varsity volleyball. For only the second year of consolidation, Wildcat opponents were sure they could "slide right by". As they grew and played together as a team, the opponents saw the pride and success of individuals coming together as one.

The 1988-89 basketball season turned out to be a year of ups and downs. With only 2 seniors and a first year coach it was a learning experience for the young team. Like the movie "Hoosiers", there were many barriers that had to be overcome to bring the team together.

Next year there will be many experienced players returning so we'll be looking for a good year.

An exciting, but challenging year is the best way to sum up our Junior Varsity season. The foundation was laid, with basic fundamentals being emphasized for off-season practice. The potential for many competitive years to come is there, but will be determined by each athlete's off-season commitment!

The team awaits the final buzzer of the season.

From last second shots to convincing victories, the girls basketball team was a success from the opening tip-off. The Lady Wildcats finished the campaign with a 14-6 overall record and a Crossroads Conference record of 6-3 tying them for third place. The "TEAM" concept of "Together Everyone Accomplishes More" was clearly evident.

Accomplishments of the season included a first ever Conference Tournament Runner-up and Sub-District and District titles, earning them a ticket to "March Madness" com-

monly called the State Tournament. Even though they were eliminated in the first round, the experience will forever be present in their memory. Just remember: Just do it!

Rene' tries for extra points against 'Burg.

Lori expertly moves the ball in for two, while being trailed after by some "mean" Hornets.

This year's Junior Varsity Lady Cats once again came out with another successful season. The title, "Shot In the Dark", was chosen because of the lack of any "elders" on the team. Contrary to the title, the team had a very satisfying season, 8 wins and 1 loss.

The team was young, made up mostly of freshmen and sophomores. The young team will be outstanding in the coming seasons as they progress into varsity ball, due to the experience that they acquired over the year. We all are looking forward to seeing them in action in future years.

You Asked For It...

Can you believe it? Even though she doesn't allow her students to chew gum, we caught Mrs. Downs having some fun with a bubble.

Many students requested to have a picture of Mrs. Davis measuring her hair. Since she became obsessed with growing her hair out, measuring her hair became a daily habit.

ME

For those of you who believe your picture is not in the yearbook enough, we have taken a picture just for you. We hope this picture of "ME" will satisfy all of you.

Many students requested to see Mr. Meyer with a full head of hair. Even though we couldn't get the "real thing", we hope this will do.

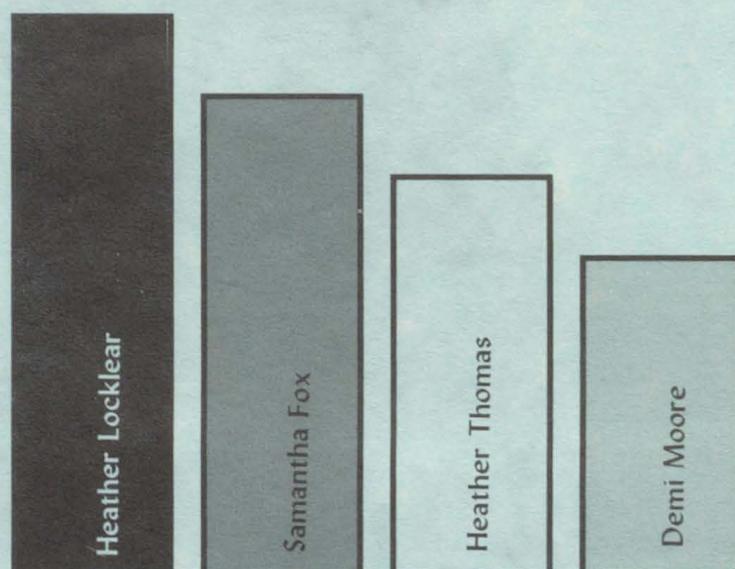

During the year, Mr. McIntyre and Mrs. Tonniges had a contest to see who could lose the most weight. Mr. McIntyre ended up losing 43 pounds and Mrs. Tonniges lost 25 pounds.

Modern Day Cowboy

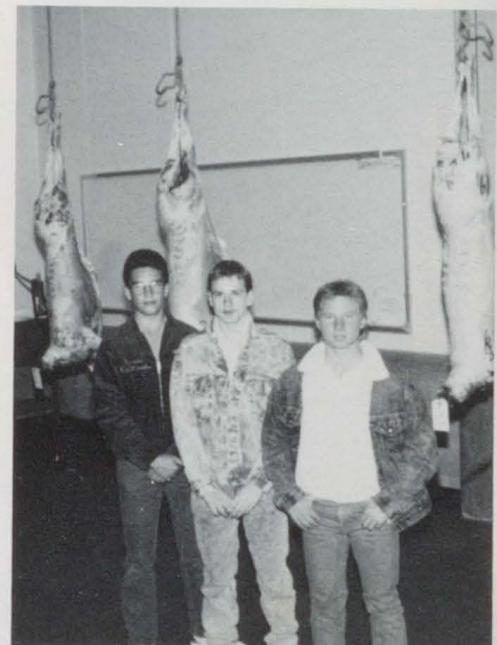

This year's FFA was wild and outgoing. We attended Husker Harvest Days for our first trip of the year. District Land Judging was our next event. A team from Polk-Hordville qualified for the state contest in David City. The District Livestock judging contest went quite well for everyone who competed. Five of the seven officers attended the National FFA Convention.

Our FFA made money by selling fruit to mainly people in Polk and Hordville, but others did try to hit a much bigger area. The money made went to fund our chapter and was put to use for the whole school.

We really enjoyed ourselves this year and are looking forward to an even better year in 89-90.

These are the following students that went to state. **Back Row:** Travis Bauer, Kevin Wall, Brad Anderson, Craig Wall, Tracy Nyberg **Front Row:** Russ Damoude, Tim Rogers, Dennis Lukas, Tyson Velt, and Kenny Lukas

Girls Just Want To Have Fun was the title of the 1989 annual staff. It consisted of eight seniors, two juniors and a sophomore. Mrs. Tonniges was the sponsor of the all girl annual staff. This year was very busy making layouts, selling annuals, and annual ads. The top salespeople were Janis Garrett and Brenda Van Housen. The top annual sellers were Lisa Beldin and Sherri DeMers. The annual staff wasn't only busy with the annual but also with the Wildcat Tales. Mrs. Davis was the sponsor.

VICTORY DANCE

The theme for homecoming this year was "Victory Dance." Activities for the week were spirit week, painting windows, and a community pep rally. Friday night a double victory was received by both boys and girls over the Benedict Eagles. To celebrate their victories a dance was held uptown, music was provided by Sounds Unlimited.

We got the Beat

Above: Kendra and Angie Sterns lead the band during the Harvest of Harmony Parade.

This year the band had a very successful event-packed year. Thirty-eight members participated in over 30 events all year including home games, tournaments, concerts and parades. The band made vast improvements this year and was always met with high praise. Eight members were chosen to play in the C.R.C. Honor Band, and all instrumental groups did well at contest. We will miss 4 senior musicians and look to the future with many young students coming up. PHHS also looks forward to next year with new uniforms on the way.

Left: Holly was voted to be Harvest of Harmony Queen candidate for the Harvest of Harmony Parade.

The "Impressions" performed at several different activities.

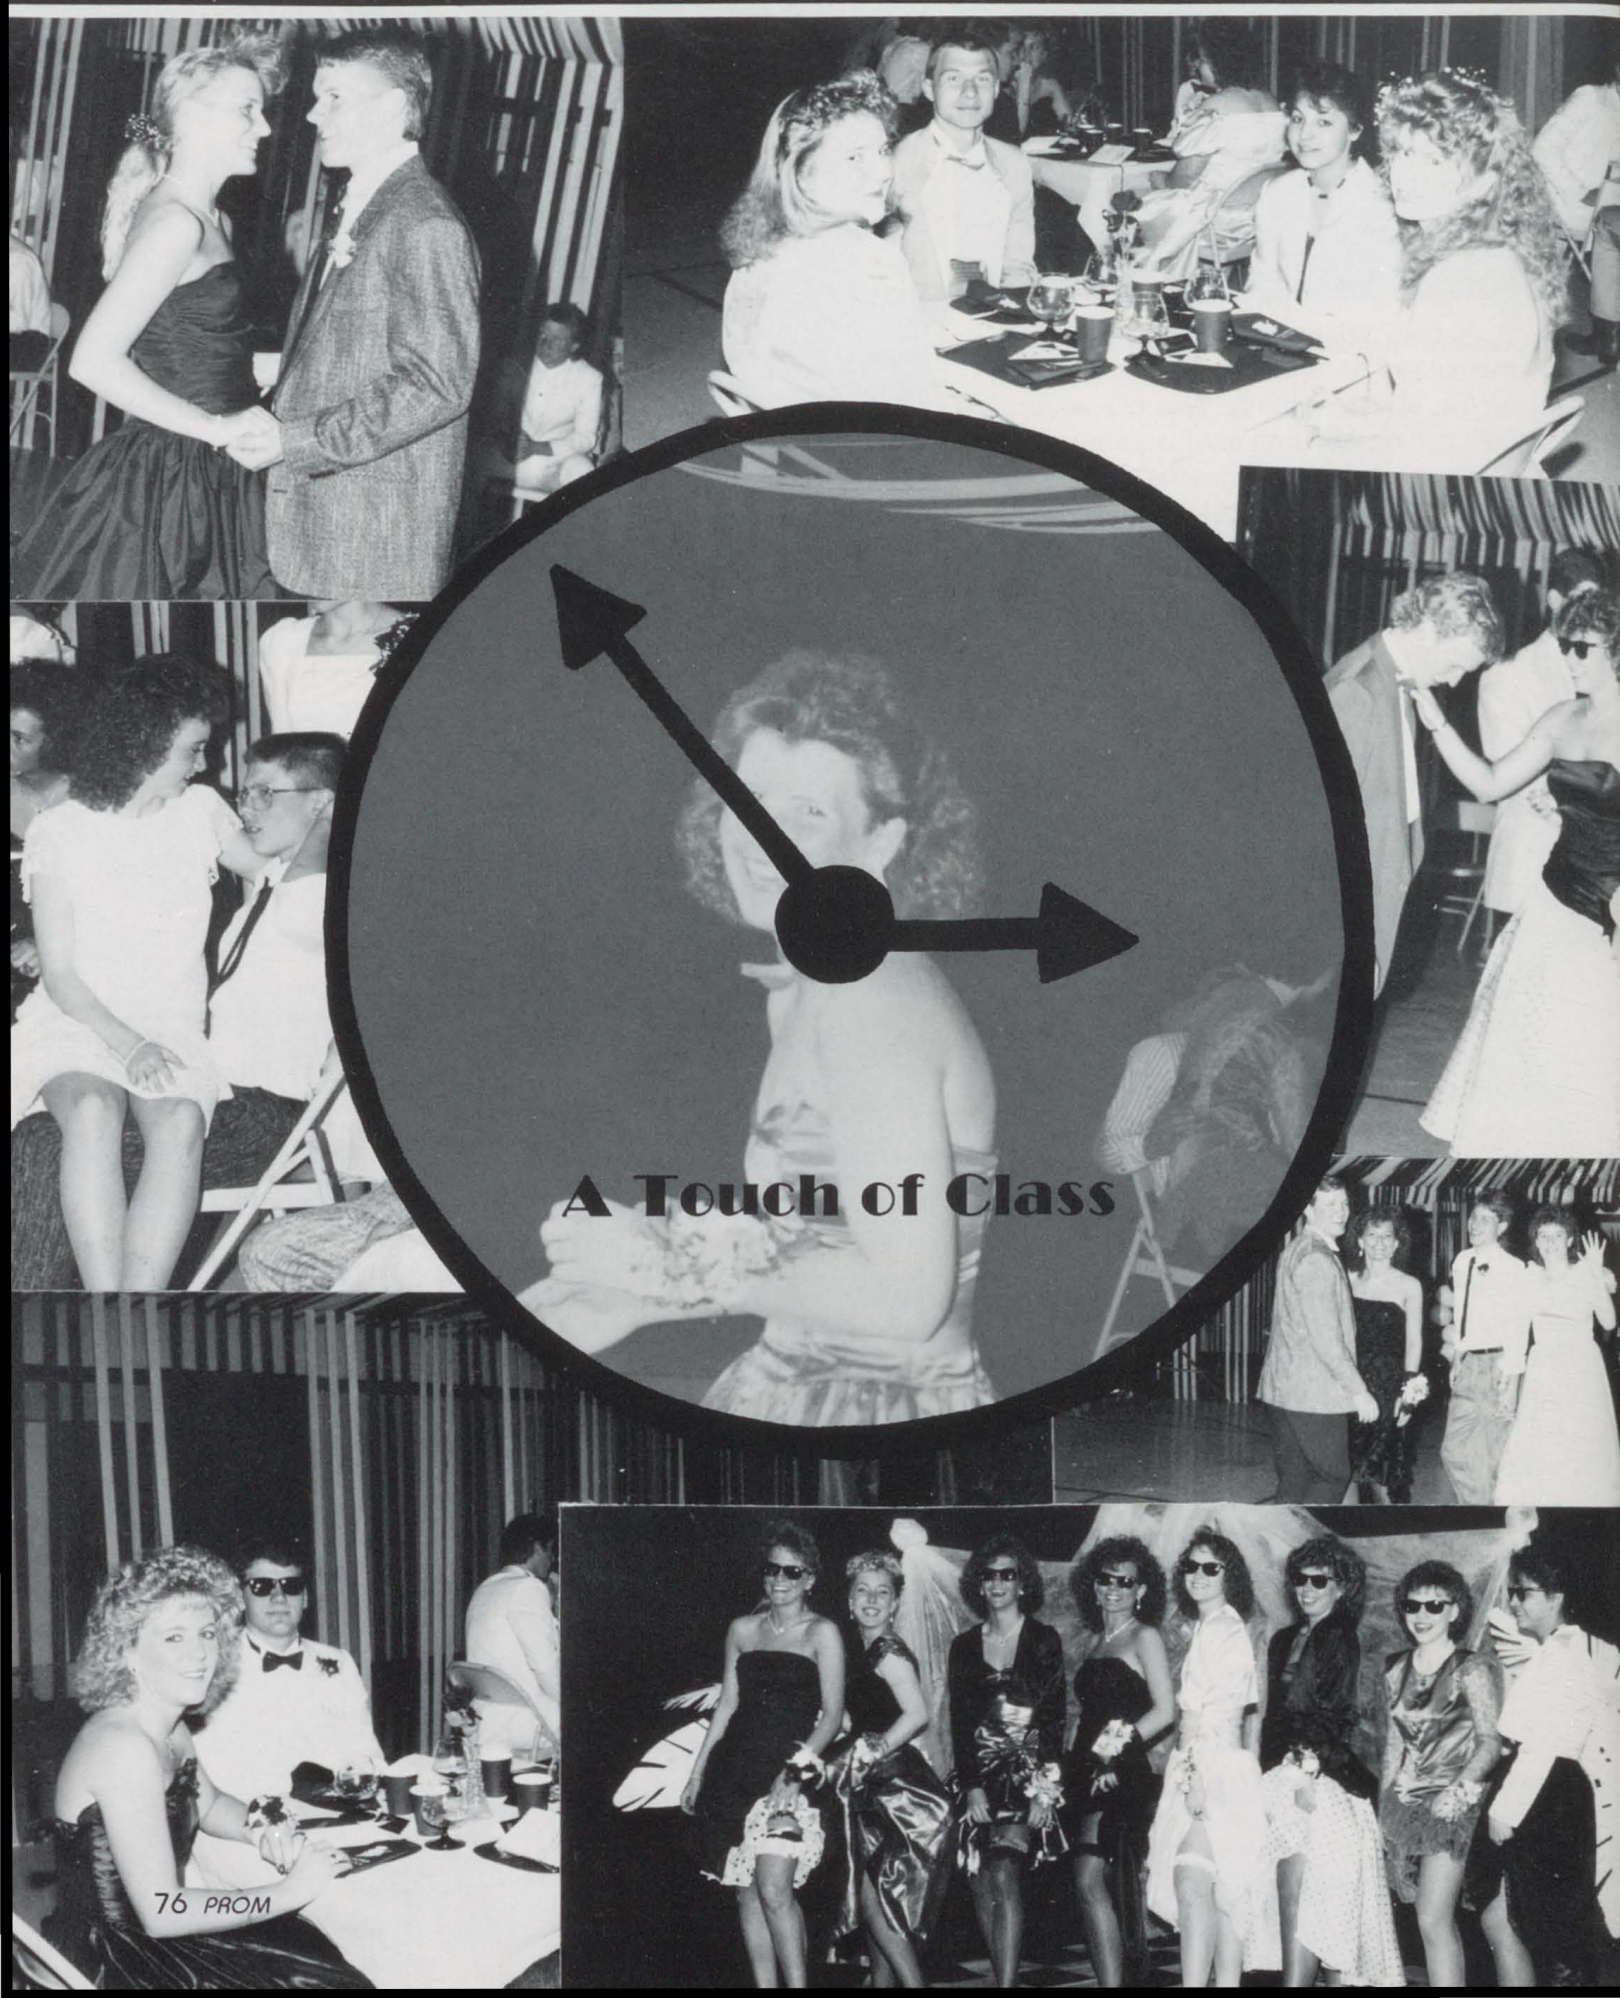

The choir could best be described in one word, talented. The group this year received all superior ratings in all but one vocal event, and received an excellent rating judged as a high school with 500 students at Worlds Of Fun. The group was very busy doing 5 concerts and the Worlds Of Fun trip, all of which went very well. The PHHS chorus was always met with high praise, and always gave a top performance. The 10 seniors will truly be missed and the future holds many exciting things for this group.

The Time of

The title that has been chosen for the All-Activities pages is the "Time of My Life." It is the time of the school year when all of the involvements and accomplishments of students are recognized and many awards are distributed. This seems to be the highlight of all the time that was expended on school activities by many talented students.

All Around Activities Awards were given to Steve Hendricks and Renee Ortegren.
